Bali Badminton Camp 2026 (Dec)

Smashtravel invites you to join:

Bali Badminton Camp 2026 (December) – Denpasar, Indonesia

Om Swastiastu, badminton players!

Do you want to experience training in one of the world's leading badminton nations while enjoying the beauty of Bali?

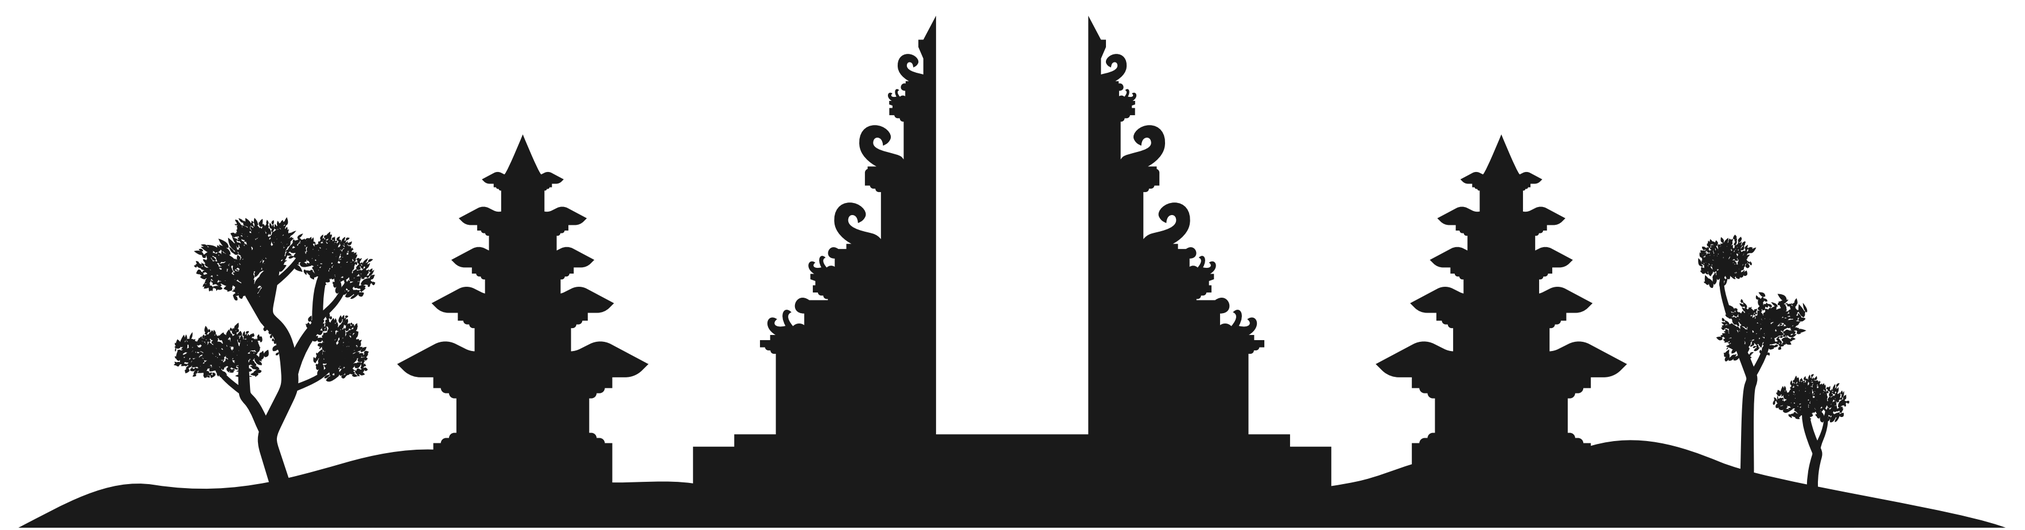

This end-of-year badminton trip to Indonesia will be an unforgettable experience and a memory for life. The two-and-a-half-week camp combines world-class training and a dream vacation with badminton friends on the paradise island of Bali. It will be a great opportunity for those who wish to take their badminton game to the next level!

INDONESIA 🇮🇩 One of the world's leading badminton nations

Indonesia is among the most prominent badminton nations in the world, and their players are known for their fast and technical style of play. Badminton is considered part of the national identity, which has given it popularity that few other countries can compare with.

They've had tremendous success in all major championships throughout the years. To name one example, Indonesia has won medals in every Olympic Games since badminton became an official Olympic sport in 1992. The only years without gold medals were in 2012 and 2024. This is, of course, an incredible achievement!

Given the country's extensive knowledge and method of producing world-class players, this result comes as no surprise. In Indonesia, you will always find incredibly competent coaches who are genuine and passionate about the sport, which is one of the main contributing factors to the great success of its players.

CAMP INFORMATION

Bali Badminton Camp at the end of this year offers 46 hours of training, with 24 scheduled sessions over two-and-a-half weeks at a local badminton center in Denpasar, Bali.

The camp runs from December 12–31 (2026), and we aim to attract competitive juniors, aswell as adult badminton players. Participation will be limited to 20 juniors + 20 adults.

The camp will be held at Jayaprana Badminton Center, which offers training facilities of international standards. Head Coach Hendra, together with a team of assistant coaches, will oversee all training sessions with a focus on the continuous development of each participant. The training program covers all aspects of the game, including footwork, technique, physical conditioning, agility, sparring, match play, and tactics.

Weekdays are centred around training, with time between sessions to recover, relax and enjoy meals together. Breakfast is provided daily, while lunch on training days is included for players staying at the hotel.

Evenings and weekends offer opportunities to socialize, explore Bali, or simply recharge. Weekend activities may include snorkeling, waterfall visits, jungle adventures, and other exciting excursions around the island.

Parents are also welcome to join the camp experience. Additional rooms can be arranged for family members who wish to accompany their child while enjoying a relaxing holiday in Bali.

FEES AND PAYMENT

CAMP FEES: 1,450 USD / player for a private co-living room. 1,550 USD / player for a private hotel room. 1,350 USD / player for a shared hotel room. A parent may share the player's room for the full camp (additional 150 USD in hotel / USD 250 in co-living accommodation).

- *The total trip cost, including flights and visa, depends on your country of departure. Flights must be booked separately, and any applicable visa fee must be paid before departure.*

PACKAGE INCLUDES: Airport arrival pick-up, 19 nights accommodation, housekeeping, Wi-Fi, welcome dinner, daily breakfast, 9 training sessions per week, coaching, sparring, court rental, shuttlecocks, and a Bali Badminton Camp clothing set (shirt + shorts + socks).

- *For players staying at the hotel, lunch on training days and transport between the hotel and badminton hall are also included. We recommend budgeting around 15–20 USD per day for additional food, personal transport, entertainment, and other expenses.*

PAYMENT: A 20% deposit of the total camp fee is required to secure your spot and is paid by invoice. The remaining balance is due in cash (USD or IDR) upon arrival.

TRAVEL AND ACCOMMODATION

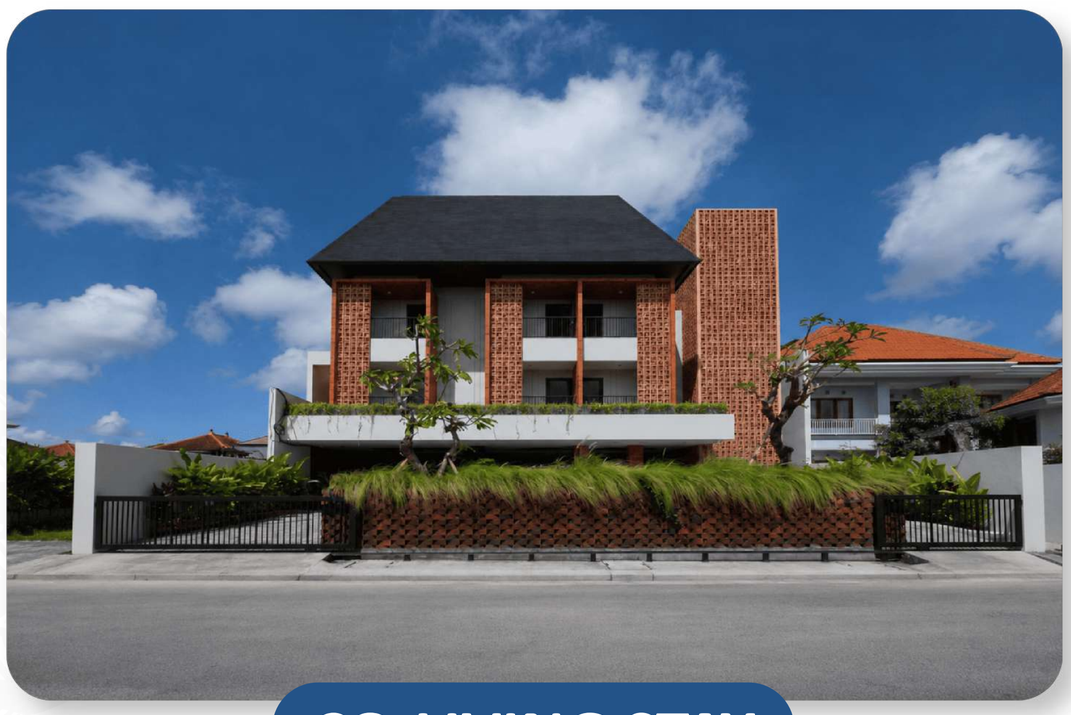

Travel time varies by departure city. Flights from India to Bali may be direct or require one or more connections, depending on the route and airline, so please check before booking.

We recommend arriving at Ngurah Rai International Airport (DPS) on 12 December 2026.
This allows time for airport pick-up, transfer and rest before the welcome dinner on 13 December.

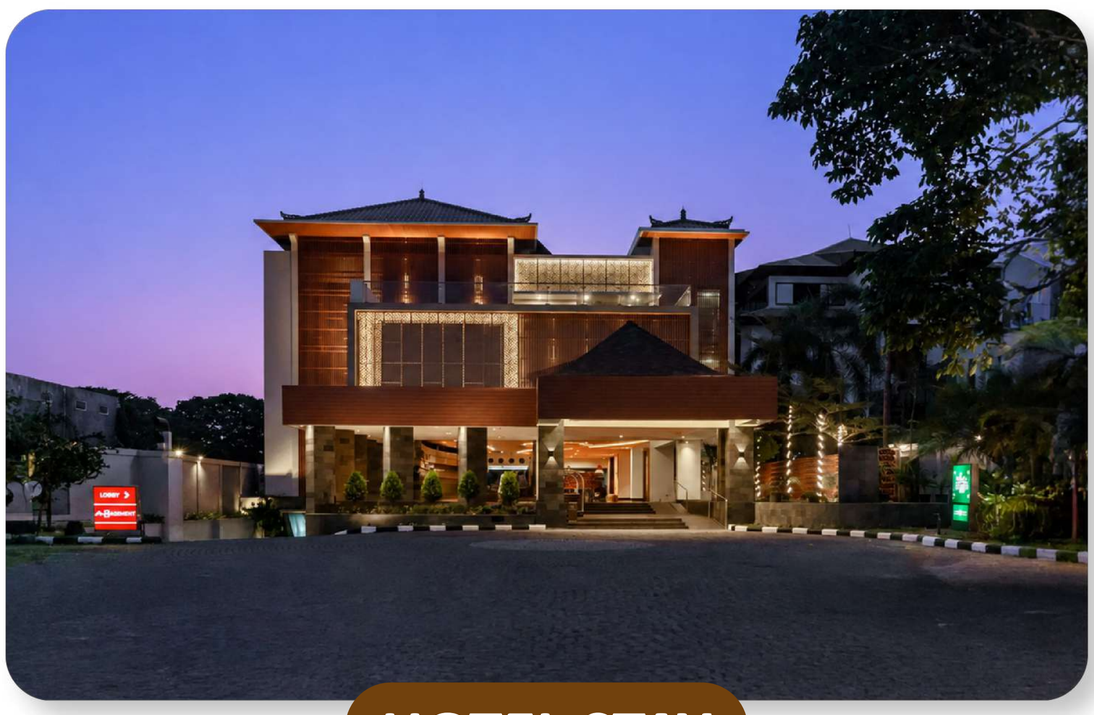

Upon arrival, participants will proceed through immigration, collect their luggage, and pass through customs. Outside the airport, our pre-arranged transportation will be waiting to take you to your accommodation in Denpasar. The co-living accommodation is conveniently located within walking distance of the badminton hall, while our hotel option is approximately a 20-minute drive from the training venue. Both accommodation options offer private, comfortable, air-conditioned rooms, Wi-Fi, working desks, bathrooms, hot showers, and comfortable beds.

The day after arrival, all participants will come together for our welcome dinner. This will be the camp's first official gathering and a relaxed opportunity to meet fellow participants and coaches, get to know one another, and receive final information before the training camp begins.

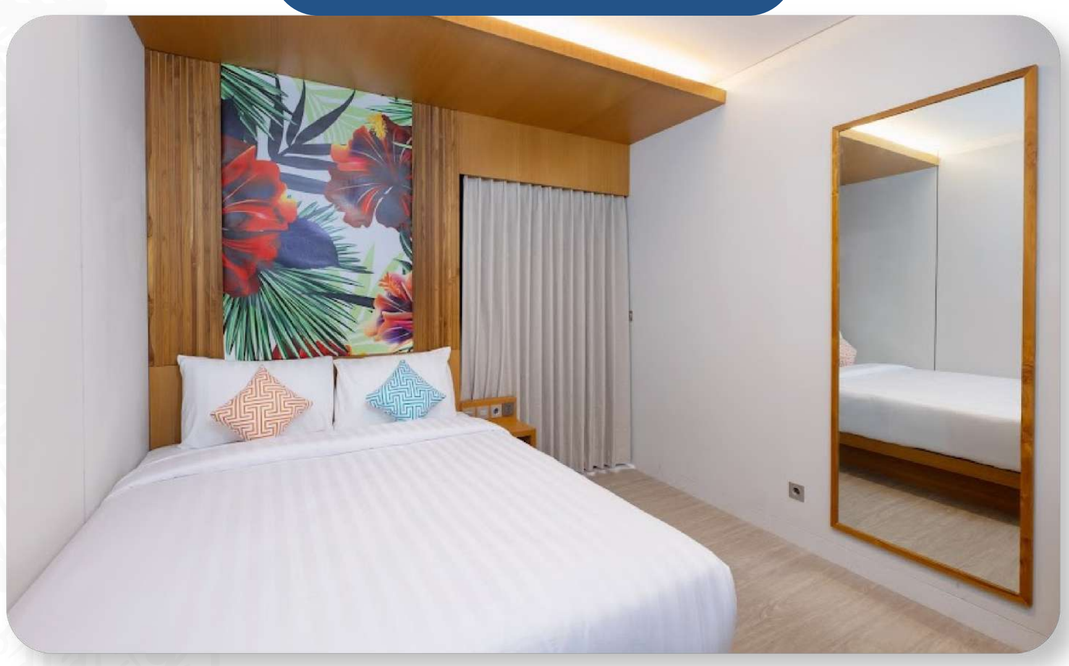

Note: Indian travellers must meet Indonesia's current visa, passport and arrival requirements. As these may change, please confirm them with Indonesian Immigration and your airline. Smashtravel India can offer general guidance but cannot issue visas or guarantee entry.

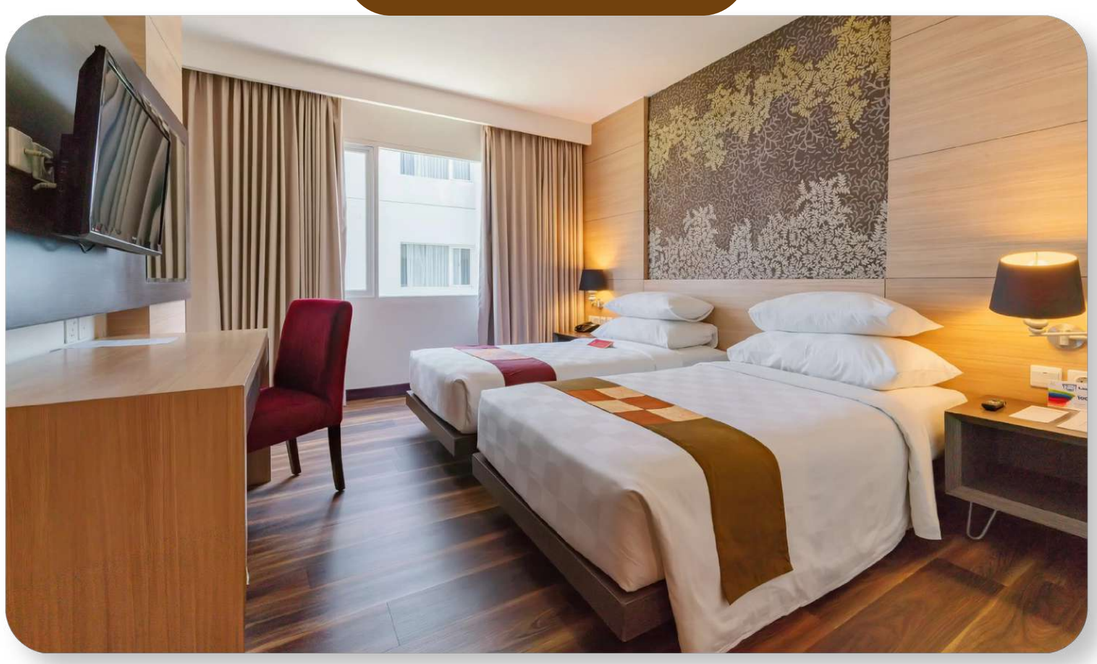

CO-LIVING STAY

HOTEL STAY

WHY A BADMINTON CAMP IN INDONESIA?

More than fifteen years ago, the founder of Smashtravel, was looking for new ways to elevate his badminton game. On a friend's advice, he joined a professional club in Indonesia, where he stayed for six months. The combination of Indonesian coaching and sparring partners significantly improved his game, and this unforgettable badminton travel experience still holds a very special place in his heart.

This transformative journey laid the foundation of Bali Badminton Camp, with its aim to provide players around the world with the opportunity to not only visit but also take part in an Indonesian badminton training environment, creating lasting memories.

In July 2026, Smashtravel organized its fifth annual summer camp in Bali, attracting more than 50 players from fifteen different countries. Encouraged by the overwhelmingly positive feedback, support, and the influx of new camp inquiries, we are very excited to announce the opening of registrations for the sixth consecutive Bali Badminton Camp in December 2026.

This upcoming camp promises to be something truly extraordinary!

POCKET MONEY

The official currency in Indonesia is Indonesian Rupiah (IDR). It's recommended to have some pocket money before your travels. While cards are widely accepted for most expenses, having cash on hand is also advisable, especially during outdoor activities.

INSURANCE

Make sure you check your insurance to find out what coverage you have before traveling abroad, as well as your personal health insurance in case of an accident, as participation in the camp is at one's own risk.

VACCINATIONS AND MEDICAL CARE

What is recommended for all travelers to Indonesia is a vaccination against Hepatitis A. Though, it may also be a wise idea to review your basic coverage to see if any additional vaccinations might be needed.

If anything happens unexpectedly during camp, the nearest hospital (Penta Medica Clinic) is just 5 minutes away from the hall and accommodation. However, staying safe and healthy is our top priority. We do this by maintaining a good diet and fluid balance throughout the trip.

REGISTRATION

Please note that the last day to register your interest is December 1, 2026. For those who want to be sure of a camp spot, please register as soon as possible. Your registration will most likely encourage more players to register. Registration is not binding (only after payment).

Register your interest on our website, by email, or WhatsApp:
